

Friday, September 13th, 2019, 09:00 - 10:40**MAKSWELL EU: Use of big data for measuring poverty and well-being**

Chair: Fabio Bacchini, Room: HS5

Monica Pratesi; Gaia Bertarelli; Luigi Biggeri; Caterina Giusti; Stefano Marchetti; Francesco Schirripa-Spagnolo. „Small area poverty indicators adjusted using local price indexes“.*Friday, 9:00-10:25.***Paul Smith**; Nikos Tzavidis; Angela Luna; Jessica Steele; Kristine Nilsen. „Alternative spatial data sources for small area estimation in developing countries“.*Friday, 9:25-9:50.***Ralf Münnich**. „Measuring well-being at local level using big data“.*Friday, 9:50-10:15.***Natalie Shlomo**; **Martin Karlberg**. „Discussion“.*Friday, 10:15-10:40.***Data Journalism (Session 2)**

Chair: Lars Koppers, Room: HS7

Susanne Kirschstein-Barczewski. „Welche Chancen und Hürden bietet die Digitalisierung im schulischen Bildungskontext? – Ein Datenjournalismusprojekt“.*Friday, 9:00-9:25.***Paul Klammer**; Holger Wormer. „Daten-Kompetenz für Journalisten – das Dortmunder Modell“.*Friday, 9:25-9:50.***Hans-Joachim Mittag**; **Katharina Schüller**. „Wozu brauchen Datenjournalisten „Statistical Literacy“ und welchen Mehrwert können interaktive Visualisierungen für Online-Publikationen haben?“*Friday, 9:50-10:15.***Bayesian Analysis in Natural and Social Science (Session 2)**

Chair: Nestor Parolya, Room: C10

Göran Kauermann; **Benjamin Sischka**. „Bayesian and Spline based Approaches for (EM based) Graphon Estimation“.*Friday, 9:00-9:25.***Olha Bodnar**. „Non-Informative Bayesian Inference for Heterogeneity in a Generalized Marginal Random Effects Meta-Analysis“.*Friday, 9:25-10:15.*

Friday, September 13th, 2019, 11:10 - 12:50

MAKSWELL EU: MAKing Sustainable development and WELL-being frameworks work for policy

Chair: Monica Pratesi, Room: HS5

Fabio Bacchini; Maria Grazia Calza. „Introduction to project MAKSWELL“.*Friday, 11:10-11:35.***Giorgio Alleva; Martin Karlberg; Natalie Shlomo; Gaby Umbach.** „Round Table Discussion“.*Friday, 10:35-12:50.*

Friday, September 13th, 2019, 11:10 - 12:30

Plenary Session Data Journalism

Chair: Jörg Rahnenführer, Room: Audimax

Plenary Session Data Journalism: **Marcel Pauly.** „What data journalism is and how cooperation with scientists and statisticians can work“.*Friday, 11:10-12:00.*

Panel Discussion: Data Journalism

Chair: Jörg Rahnenführer, Room: Audimax

Panel Discussion Data Journalism.

Friday, 12:00-12:30.

Other events on Friday

9:00 : R-Tutorial: Small Area Estimation with R ▷ C360
